# Jensen Jubilee Fall Festival

**Houston Northeast CDC**

**Dear Friend,**

On Saturday October 19, 2024, we are hosting the **Tenth Annual Jensen Jubilee Fall Festival** to promote sustainable revitalization in our community. This project is to promote and engage the community for the development and sustaining of educational and economic empowerment of our neighborhood. Our desire is to gain your sponsorship and support towards the collaborative Eastex/ Jensen Community project.

Currently, we have a great team of volunteers and supporters, including the community, area churches, public officials, local businesses, the Greater Northside Management District and many other community action organizations. Our organization has had several successful initiatives such as:

- Hosted & Became a Community Hub for Uplift Harris Guaranteed Income Pilot Program (January – April 2024)
- Hosted Healthy Eating Classes for Seniors in the community (2023 – 2024)
- Attended Lone Star College North Impact Non-Profit Accelerator Program (January 14 - February 18, 2023)
- Attended Complete Communities Civic Leadership Development Training. (February 2023)
- Engaged the community with a project entitled “Driving Jensen funded by LISC in partnership with University of Houston and the Greater Northside Management District. (2020-2021)
- Re-established the Eastex Jensen Super Neighborhood #46. (March 5, 2019)
- Partnered with Federal Officials, Law Enforcement Businesses and the Faith based community discussing community engagements and public safety.
- Houston Northeast collaborated with Federal, State, County, City, Local Colleges, HISD, and Community Leaders to collectively host multiple town hall meetings that offered our residents the opportunity to hear from city and community leaders (May 2016)
- The recipient of the 2013 Mayor’s Proud Partner Award with Keep Houston Beautiful in preserving the Wescott Cemetery located in the heart of our Eastex Jensen Community which has now become self-sustainable.

Houston Northeast Community Development Corporation has given over \$25,000 in student scholarships. Education is important and we are also aware within our community the social determinants of health. We want to help increase high school graduating as well as assist students in furthering their education.

We humbly appreciate and look forward to your partnership and sponsorship this year.
